

Salt Lake County Equestrian Park Policy on Paddocks, Runs, Tack Rooms, Shavings Bins and Hay Storage

- **Tack Rooms** are available on a first come first serve basis. Renters may choose to rent an extra stall and use it for hay and tack storage. However, modifications to stalls in any way, must be approved by the Park Manager prior to your enclosing or changing a stall.
- **Hay Storage:** is available on a first come first serve basis. Hay storage is limited. Those without a place to store hay may use a tack room or tack stall to store hay. There is a waiting list in the front office for hay storage as well.
- **Runs:** are available on a first come first serve basis, however there is a waiting list for runs also. Two (2) horses are allowed in a run at one time. Modifications to runs, structures or fences is prohibited. Any maintenance issues must be taken up with the Maintenance Supervisor.
- **Paddocks** are located behind the B, D & E barns. Paddocks are first come first serve. You are encouraged to get on the paddock waiting list if you have interest. A maximum of 6 horses are allowed in the paddock. Chronic violators or rules will be evicted and park usage privileges will be revoked.

You are responsible for cleaning out your own paddock. You may submit a work order to have your paddock cleaned out and we will accommodate it when possible.

- **Shavings Bins** are available on a first come, first serve basis. Bins are made available for usage as a courtesy only. The Equestrian Park is not responsible for liability regarding the bins. However, we reserve the right to approve or disapprove conditions of or contents in the bins. Rules and Regulations,
 - 1) Shavings bins will be rented on a month to month basis for a predetermined fee.
 - 2) Shavings bins must be kept clean and tidy, including the apron in front of the bins.
 - 3) Bins must be covered with a tarp and the tarp can only be secure with a pipe on the front and back of the tarp. The tarp may not be secure in any other way, no exceptions.
 - 4) Shavings need to be within the walls of the bin and covered with a tarp at all times.
 - 5) Nothing else is allowed to be stored in the bins (hay, straw, etc.).
 - 6) Nothing can be attached in any way to your bin.
