

Salt Lake County Equestrian Park Policy on Round Pens

All round pens are considered working pens and must be treated as such. The rules are as follows:

- (1) Owner must be present with animals
- (2) Working pen used as a turn-out is prohibited
- (3) No Feeding
- (4) 30 min per animal
- (5) Dogs must be on a leash.

Failure to comply with these rules may result in eviction from the facility. If animals are left unattended in the round pens or arenas, they will be locked in by our staff and the owner will have to come to the main office to let them out. Please be courteous to all users and boarders of the facility.
