

Salt Lake County Equestrian Park Policy on

Walker Mounts and Space

Walker Space

Is available on a first come first serve basis. Walkers are privately owned, maintained and operated. We rent the space only. Patrons desiring to have walker space should come to the office and get on a waiting list. Walkers must be put in designated walker space as per our master plan of the park.

SELLING OF WALKER MOUNTS

February 26, 2007

RE: Further Clarification of walker policy

To All Boarders/Patrons:

There has been some confusion lately as to the selling of walkers and walker mounts. Let me clarify it so that we are all on the same page.

The walkers are privately owned, obviously, you are welcome to sell your walker at anytime to anyone. However, the walker mounts or places where the walker mounts/spots are COUNTY OWNED and you can NOT sell those with the walker or include that as part of the agreement while negotiating the sell of your walker.

If you sell your walker the person buying the walker has to move the walker out of the equestrian park immediately! If the person buying your walker wants to keep it in the equestrian park, they need to make arrangements with the Salt Lake County Equestrian Park Management. We do have a waiting list for walkers and so the likelihood that the purchaser of your walker will be able to keep it in the same spot is unlikely.

Once again you do not have the right to sell or make any arrangements for the continued use of any walker mounts/spots here in the equestrian park. Remember, whomever we have under contract for any walker mount will be held accountable and liable for that walker and its mount.

If you have any questions you are welcome to contact me at 801-254-0106.
